PROFILE

Communications and marketing professional with a Bachelor in Mass Communication and several years of experience creating and publishing social media content in international environments (China, the UAE, Malaysia and Qatar). Grew a company's social media community from 2,000 to 20,000 followers through a structured content strategy and a consistent publishing rhythm. Strong storyteller who combines writing, video and data visuals to make complex topics engaging, and uses AI to streamline content workflows. Motivated to bring this to an international innovation network.

KEY SKILLS

- Social media strategy & campaigns
- Content planning & editorial calendars
- Community management & engagement
- Performance tracking & analytics
- Project coordination & deadlines
- Storytelling & copywriting
- Video production & editing
- Data visuals: charts, map animations
- Brand identity & consistency
- Stakeholder & supplier communication

PROFESSIONAL EXPERIENCE

Online Marketing Officer 2020 – 2025
Leader Group, Guangzhou, China (remote)

- Developed and executed the social media strategy, growing the follower base from 2,000 to 20,000.
- Planned, wrote and published campaign content and edited videos for online channels.
- Kept a consistent publishing schedule aligned with campaign objectives and audience needs.
- Presented the company and its vision to clients and partners.

Marketing Officer – Brand Manager 2022 – 2023
Nejoum Aljazeera Auto Shipping Co., United Arab Emirates

- Defined the strategy for online marketing campaigns and ran them across social media.
- Produced and published videos with After Effects and Premiere Pro.
- Developed brand identity and logos in Illustrator and safeguarded brand consistency across all channels.

Graphic Designer 2020
City Art, Kuala Lumpur, Malaysia

- Created brand identities and logos for start-up clients, aligning visual style with each target audience.

Content Writer 2018
Al Jazeera Network, Doha, Qatar

- Researched broadcasts, selected newsworthy segments, edited them and wrote commentary for social media publication.

SELECTED PROJECTS

- Freelance data-driven video content (map animations, charts, voiceover) for a Saudi real estate data platform.
- Built AI-assisted content pipelines that turn news feeds into ready-to-publish newsletters and social carousels.
